- Fully colour co-ordinated with our range of doors.
- 10-year guarantee.
- 18mm double-sided melamine with 18mm solid melamine backs.
- All metal Blum hinges to BS6222 level 'H'. These heavy duty hinges close automatically at 25° and clip on or off.
- Base units are pre-drilled for full height doors or drawer-line options.
- Substantial leg support socket spans carcass joint giving additional strength supporting the side panels.
- Base units are on adjustable black legs (110-180mm) as standard or aluminium effect as optional extras.
- Protective door buffers deaden the sound of the door closing.
- Easy-glide metabox steel-sided drawers with self-closing feature and lock-open stop.
- Plumbing and electrical service voids. 18mm on wall units & 48mm on base units. This air gap insulation helps prevent damp penetration.
- 2mm-3mm uPVC edged.
- 18mm double-sided textured melamine adjustable shelf in matching carcass colour.
- Full depth wall units will store 10½" (266mm) dinner plates.
- Adjustable concealed wall hanging brackets have a 3-way adjustment to compensate for uneven walls.
- Easily repairable (as all component panels can be replaced). Internal base unit storage capacity is maximised due to the depth and height measurement being 503mm and 702mm respectively.
